Shouldn't be a problem I will check with Debbie and Dennis to make sure they don't need it for something.

Great, thanks! I hope it's o.k. if we borrow it. I'll have Bill coordinate with you...

I don't think I can now. Dennis has a meeting or something that day, so he isn't able to attend the weekly meeting at Freedom Industries. So I have to be in Charleston for that meeting and

it's at 10:30am as well so I can't even call into the Sub-area Plan meeting. I do have my comments for Bill, I am sorry they are late. I will send them tonight from the hotel.

Thanks,  
Melissa
